

Greater Region

Examples of good practices

Project title :	BRIDGE - Entwicklung von grenzüberschreitenden dualen Studiengängen mit den Universitäten und Hochschulen der Großregion (INTERREG project) (equivalent to : BRIDGE – Development of cross-border integrated dual study programmes with the universities of applied sciences of the Greater Region)
Project duration:	started in 2021 (project duration to be announced)
Regions involved:	Grande Région
Actors involved:	to be announced
Main objective(s):	Develop integrated study programmes and curricula, as the high and ever-increasing number of cross-border commuters shows the need for well-trained and mobile staff across borders in the Greater Region. In this context, the lack of professional qualifications and language barriers are significant obstacles that will be addressed in this project.
