

# Lithuania – Latvia – Poland

## Examples of pre-existing good practices

### Examples for already existing good practices:

*No projects related to teacher training, vocational training, or language education in cross-border regions are known.*

*Some projects that simply build cross-border socio –economic development:*

Project title:	<b>Interreg V-A - Lithuania-Poland</b>
Project duration:	2012-2020
Regions involved:	<input type="checkbox"/> Lithuania <input type="checkbox"/> Poland (Podlaskie; Warmińsko-Mazurskie)
Actors involved:	<b>Ministry of Interior of the Republic of Lithuania</b>
Main objective(s):	<p>Closer cross –border cooperation between people and institutions on the Lithuanian-Polish border during 2014-2020. The main objective aligns with the EU Strategy for the Baltic Regions (EUSBSR) and the EU strategy to foster smart and sustainable cooperation between the border regions during that period.</p>
Results/ Conclusions:	<input type="checkbox"/> 1.7 million tourists in the cross-border regions <input type="checkbox"/> 11.6 % new business entities <input type="checkbox"/> 1.5 % decrease in unemployment <input type="checkbox"/> 2000 participants to promote gender equality, equal opportunities, and social inclusion in the border regions <input type="checkbox"/> 500 participants in staff exchange and training program
